Water and Sewer Service.	) TEST YEAR

This matter is before the Public Service Commission of South Carolina (the Commission) on the Commission Staff's (the Staff's) request to require Carolina Water Service, Inc. (CWS) to revise its Application for an increase in water and sewer charges to reflect a test year ending June 30, 1993. The Commission finds that the use of a December 31, 1992 test year as filed in the Application is not representative of CWS' current operations. Accordingly, the Commission concludes and hereby Orders that CWS revise its Application to reflect a test year ending June 30, 1993. CWS shall file this revision on or before January 31, 1994.

IT IS SO ORDERED.
